Transfer & Transform Supply List

August 22, 10:00am - 4:00pm

All supplies are available at Swinton's Art Supplies, and all students get 10% off. If you would like a package put together for you, please contact us.

Supply List:

What to Bring

- Acrylic paints (assorted colours, including white)
- Matte gel medium or soft gel (matte)
- Assorted brushes (including at least one flat brush)
- Palette and palette knife
- A few of your own laser-printed images

Guidelines for Bringing Your Own Images

- Print Type: Must be laser-printed (inkjet will not work).
- Visual Style: High contrast with a single, clear focal point.
- Subject: Focus on one element (e.g., animal, person, or plant).
- Background: Use simple/minimal backgrounds; avoid clutter.

Benefits of Simplicity

- Better Clarity: Ensures a sharper, more reliable transfer.
- Creative Freedom: Leaves room to add your own textures, gels, and layers.

A few things will be provided:

- Pre-prepared surfaces (smooth, textured, and collaged panels)
- A selection of laser-printed images for transfer
- A sample of a gel and paste
