

Watercolour & Gouache Together! Supply List

Please be sure to bring all supplies listed with you to class as we will not be able to share supplies. Please contact Swinton's if you would like them to put together a supply kit. All students get 10% off at our store.

If you just have watercolours you can get away with just having a gouache white and tinting it with your watercolours.

Watercolour Paint's:

Brushes-

#8 round watercolour brush(Heinz Jordan are fine)

1/2" - 1" wash brush

Paper-

I will be using 140lb CP paper, 100%cotton, Arches, W&N, or Baohong Academy. We will be working no larger than 7.5 x11" for this workshop.

I will also be bringing a plastic or foam board to tape my paper to. I use regular blue painters tape for that, 3/4" or 1".

You will also need

Paper towels (I use blue shop towels)

A good sized container or 2 for water

A 4h pencil

And an eraser.

I also recommend a sketchbook to do your planning in.

The mixed Media sketchbooks will hold up to water based media.
